

Rules

Ladies play from the red tees. Men play from the white tees. On "hole-in-one" par three holes, there is a minimum distance that ALL players must tee off from. The tournament format is a form of Texas Scramble.

The rules are intended to be very simple to ensure you maximum fun and enjoyment. Each player can drive on every hole. You then choose the one ball that is in the best position to continue play. If your drive is chosen however, you are not allowed to hit the second shot. The remaining players then shoot and the one ball that is again in the best position to continue play is chosen.

After the second shot, all players may hit and any player's shot may be selected as the team's best shot. Continue on this pattern until your team holes out.

PAR THREE HOLES

If your drive is on the green, all players may putt. If the drive does not reach the green, the person who hit the drive may NOT hit the second shot.

Play the ball as it lies. Hole out all putts. Mulligan tickets are available at registration, with a maximum of 3 per player, which can be used for any shot.

Note

Threesomes-On each shot (including putts) one player can shoot twice.

McKenzie Meadows Golf and Country Club

Our Company Profile:

The Calgary Airport Authority is a not-for-profit, non-share capital corporation incorporated under the Province of Alberta's Regional Airports Authorities Act.

The Authority assumed responsibility, from the Government of Canada, for the management, development and operations at Calgary International Airport in July 1992 – Canada's first airport to be transferred to a local not-for-airport entity. Responsibility for Springbank Airport was also subsequently transferred to The Calgary Airport Authority in 1997.

The Calgary Airport Authority is pleased to continue its support of Calgary Rotary Challenger Park at this important fund-raising event, needed to build on its success in providing programs, facilities and services to people of all abilities.

Calgary Rotary Challenger Park

Calgary Rotary Challenger Park is located on lands donated by the Calgary Airport Authority. The Park is a proud symbol of the Authority's corporate social responsibility program and initiatives to support the community it serves.

It was a very proud moment for our staff that assisted in planning the first major athletic event at Calgary Rotary Challenger Park, in July 2005, when Calgary Little League hosted the Little League Challenger Division Canadian Jamboree. The Calgary International Airport Pipe Band proudly escorted the athletes, coaches and caregivers from across Canada at the opening ceremonies. Being involved in the Challenger Cup Charity Golf tournament furthers our support of Calgary Rotary Challenger Park.

We thank you for adding your support to this event and encourage you to incorporate Calgary Rotary Challenger Park into your annual corporate or personal charitable support plans.

6th Annual Challenger Cup

August 31, 2011

Proceeds in support of:

Calgary Rotary Challenger Park ®

Where Everyone Can Play

Who we are

Calgary Rotary Challenger Park Society is a non-profit barrier-free meeting, outdoor recreational & sport facility that promotes an inclusive partnership to the community for people of all ages and abilities.

What we do

One of the key elements in the Park's development was the desire for it to be barrier free so everyone could play regardless of abilities or means. We manage and maintain this \$15M asset. Public and private support (i.e. sponsorships, donations and user fees) are/ will be needed to sustain the Park's long-term viability.

Our Vision

"Calgary Rotary Challenger Park sets the standard as a fully integrated barrier free and dynamic year-round self-sustaining organization for inclusive recreation, sport and wellness."

Our Mission

"To promote, through education and awareness, an inclusive partnership with the community to people of all ages and abilities."

Our Values

Honesty, Goodwill, Friendships, Fairness and Equality, Inclusiveness, Accountability, Fiscal Responsibility.
