### Who We Are:

Calgary Rotary Challenger Park Society is a non-profit barrier-free meeting, outdoor recreational & sport facility that promotes an inclusive partnership to the community for people of all ages and abilities.

### What We Do:

One of the key elements in the Park's development was the desire for it to be barrier free so everyone could play regardless of abilities or means. We manage and maintain this \$15M asset. Public and private support (i.e. sponsorships, donations and user fees) are/will be needed to sustain the Park's long-term viability.

### Our Vision

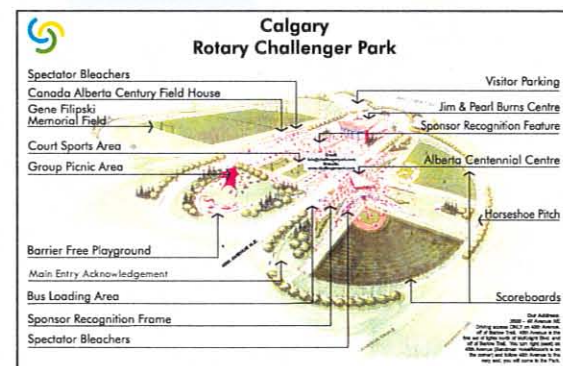

"Calgary Rotary Challenger Park sets the standard as a fully integrated barrier free and dynamic year-round self-sustaining organization for inclusive recreation, sport and wellness."

### Our Mission

"To promote, through education and awareness, an inclusive partnership with the community to people of all ages and abilities."

### Our Values

Honesty, Goodwill, Friendships, Fairness and Equality, Inclusiveness, Accountability, Fiscal Responsibility.
